This Week's Special Zoom Speaker **DAVID BOGAS**

David Bogas has been in multi-family and residential development, construction, and operations since 1986. He is the Director of Development at EPT Land Communities since 2007. EPT Land Communities is a real estate development company. In 2011, EPT Land Communities began the development of Montecillo, El Paso's first smart growth development. Montecillo is a master planned community developed in accordance with Smart Code principles where families can live, work, stay and play. EPT Land Communities develops apartment and residential communities that boast beautiful scenery and master-planned designs.

Prior to EPT Land Development,

David was the Business Development Manager for the Border Institute of Technology and held various Director positions and Vice President of Military Housing at EPT Management Company, a real estate management and development firm.

David is a native of El Paso and a graduate of Coronado High School. He attended Phillips University in Enid Oklahoma on a baseball scholarship. David earned a BBA in Accounting from the University of Texas at El Paso. He is a member of the Texas Department of Agriculture – Organic Based Production Growers Group and is an organic pecan grower.

#ROTARYCLUBOFELPASO has kicked off our new "Hero of the Month" recognition program. Each month, we will select an exceptional Rotarian to honor for exceeding expectations with activities that are consistent with Rotarian values and goals. Every single member of our organization is, in fact, a hero. They all support deep needs in the community with their generosity, time, and efforts. These are **People of Action**.

Submit suggestions for your favorite Hero of the Month for **September** on our club FB page or emailing Arlene. Remember, all heroes do not wear capes.

TIME's 100 most influential

Rotarian Tunji Funsho named one of TIME's 100 Most Influential People in the world

Dr. Tunji Funsho, chair of Rotary's Nigeria National PolioPlus Committee, joins 100 pioneers, artists, leaders, icons, and titans as one of TIME's 100 Most Influential People. TIME announced its 2020 honorees during a 22 September television broadcast on ABC, recognizing Funsho for his instrumental leadership and work with Rotary members and partners to achieve the eradication of wild polio in the African region.

He is the first Rotary member to receive this honor for work toward eradicating polio.

A Rotarian for 35 years, Funsho is a member of the Rotary Club of Lekki, Nigeria, past governor of District 9110, and serves on Rotary's International PolioPlus Committee. Funsho is a cardiologist and a fellow of the Royal College of Physicians of London. He lives in Lagos, Nigeria with his wife Aisha. They have four children; Habeeb, Kike, Abdullahi and

Fatima; and five grandchildren.

TIME 100 comprises individuals whose leadership, talent, discoveries, and philanthropy have made a difference in the world. Past honorees include Bono, the Dalai Lama, Bill Gates, Nelson Mandela, Angela Merkel, Oprah Winfrey, and Malala Yousafzai.

"I'm honored to be recognized by TIME for my part in ensuring that no child in Africa will ever again be paralyzed by wild polio, a disease that once disabled 75,000 African children every single year," said Funsho. "Eradicating the wild poliovirus in Africa was a team effort that required cooperation and dedication of governments, partners, Rotary members, hundreds of thousands of health workers, and countless parents who chose to have their children vaccinated against polio."

As the chair of Rotary's Nigeria National PolioPlus Committee, since
